Правительство Венгрии, долговременно поддерживающее христиан на международном уровне, в Святой Земле в частности, сообщает Иерусалимскому Патриархату о решении предоставления государственного гранта христианам Палестины. С текстом документа можно ознакомиться ниже:

"To H.E. Archbishop of Constantina,

Your Eminence!

Hungary has continuously provided scholarships to talented Palestinian students since the 1970's among them many Christians, who are playing important roles in the Palestinian society. The Government of Hungary established the Stipendium Hungaricum programme 5 years ago, which created a new institutional framework for the international students' studies in Hungary. In this framework Hungary signed an agreement with the Ministry of Higher Education of Palestine on providing 60 full scholarships for talented Palestinian students for Bachelor, Master and PhD level studies. The Call for Application for the next year has been announced on the website of the Ministry of Higher Education with the deadline of 15th Ιανουάριος, 2019. The Call for Application is available here: <http://www.mohe.pna.ps/scholarships/Post/5224>

Your Eminence,

I would like to turn your attention to this opportunity and

request Your kind consideration of encouraging young Christian students to apply for these scholarships. Very soon I will send the Call for Application for the Christian Scholarship Programme, which will also be available.

If you have any questions or suggestions, please, do not hesitate to contact me or my office in Ramallah.

Kind regards,

Rada Csaba"
